A new school year has started. Teachers and students are back in schools. And the attention is on education. While others focus on what's wrong with our education system, we prefer to look for ways to improve our teachers. Because we believe our education system is only as good as the quality of our teachers.

Intel Education and Microsoft is organizing a training on "ICT Multimedia Integration/Robotics Workshop" on **March 16-17, 2017 at H100 Eco Lodge, Resurrection Compound, Magsaysay, Baguio City.** No Registration fee will be collected and with **FREE food.** The intended effect is to make their teaching more interesting to their students.

**March 16, 2017 (First day) PRIVATE SCHOOLS 1:00PM– 5:00PM**

**March 17, 2017 (Second Day) PUBLIC SCHOOLS (CAR Region) 9:00AM-4:00PM**

This is in partnership with Felta Multi-Media Inc., the pioneer and leader in introducing **LEGO Robotics and educational multi-media materials in the Philippines/ ICT Planning Management and Workshop** . We would like to request for your attendance to this opportune event where **Mr. Gilbert Zamora**, one of the key resources will share valuable insights on education market platforms.

**Mr. Gilbert Zamora** is a Master Robotics teacher with a background in a computer engineering and electronics. He is one of the pioneers of Philippine Robotics education, a co- founder of the Philippine Robotics Academy and serves as the President of the Philippine Robotics Society. He introduce robotics education in La Salle Greenhills in 2003. He was specially trained by LEGO education in the use of Dr. Heartbeat robotics concept (2007) and the Mindstorm EV3 robotics (2013). He is also the author of the book "Learn Robotics at your Command" under Felta Multi-Media Inc. Also co-authored the "Level Up in Computer" book series under ICS Publishing, and the "Advanced Robotics Mechanism" book under IBook Publishing.

The workshop aims to help improve educational efforts here in the Philippines; acquire a broader yet more refined knowledge of ICT; identify possible entry points where ICT resources can be integrated in lesson preparation and effectively select appropriate resources online. If you could spare us a few hours of your time, we guarantee that you will be able to take away global trends on educational project planning and how to best implement it to your educational programs.

In line with this event, we would like to request your good office for the attendance of all the ICT Coordinators booth for Private Schools and Public School. We will be needing 50-60 attendees.

Also, we would like to seek your assistance in inviting private and Public schools in Cordillera Autonomous Region (CAR) on March 16-17, 2017. We will be also be needing 50-60 attendees per day.

You may contact Ms. Coni Inocencio-Peralta/ Donna Cris Ermitanio/ Ms. Nani Placio) at telephone no. (02) 912-1397/09397651451 or email us at [felta@pldttdsl.net](mailto:felta@pldttdsl.net)/ [nani\\_villanueva@yahoo.com](mailto:nani_villanueva@yahoo.com). Again, we look forward to seeing you.

Respectfully yours,
