PROGRAM COORDINATORS**

To: Assistant Regional Director
Schools Division Superintendents
SDO and School GPP Coordinators
All Others Concerned

1. Relative to DepEd Order 293 s. 2007, all public elementary and secondary schools are mandated to implement the Gulayan sa Paaralan Program (GPP) to promote food security in schools and communities through self-help food production activities and values among learners, and appreciation of agriculture as a life support system. Additional DepEd Orders have been issued to further support its implementation.
2. To strengthen the implementation of the GPP, the Education Support Services Division (ESSD) through the Health and Nutrition Section is planning to conduct capacity building activities related to GPP. In preparation for this, a Training Needs Assessment (TNA) Survey will be administered to all GPP coordinators with the following objectives:
 - a. gather relevant data on GPP implementation to identify professional development needs of coordinators in Schools Division Offices (SDOs) and schools;
 - b. identify essential training topics that encompass the basics, advancements, and technologies of gardening, which are crucial for the effective implementation of the GPP; and
 - c. design professional development programs that will address the needs of the coordinators.
3. All schools and SDO GPP coordinators are requested to answer the TNA survey through the following links on or before May 31, 2025:
 - a. School coordinators: https://bit.ly/GPP_TNASurvey_Schools
 - b. SDO coordinators: https://bit.ly/GPP_TNASurvey_SDO
